INDIVIDUAL PRODUCTS

**Independent Health Brings You
High Quality and Trusted Support**

**Making it easy for you to get and stay healthy.
That's the RedShirt® Treatment.**

Our experienced Sales team works hard to get the answers you need and make things easier so you can concentrate on getting and staying healthy. Just like we have for **over 45 years as WNY's locally-focused** health plan.

HOW TO ENROLL

Contact us to schedule a personal appointment with one of our RedShirts.SM We're always ready to assist you! Our RedShirts will help you understand all the plan options available to you, answer any questions and assist you with your enrollment. When you're ready, you can **enroll directly through Independent Health or the NY State of Health Marketplace**. Each enrollment option will walk you through all the required information you need to provide. If you need help at any step of the way, our RedShirts are here for you! Contact a helpful RedShirt[®] today!

ENROLLING DIRECTLY WITH INDEPENDENT HEALTH

At Independent Health, we make it easy for you to enroll directly with us in the health plan of your choice. A copy of Independent Health's enrollment application can be found in your sales kit, or you can print a copy at www.independenthealth.com/individualapp. Once completed, send the application with your first month's premium payment (by check or money order) to Independent Health, P.O. Box 710, Buffalo, NY 14231. If you want to speak with a RedShirt or schedule an appointment, call (716) 505-8515 or 1-855-210-9930 (TTY: 711).

Did you know you're required to have pediatric dental coverage? Under the Essential Health Benefits provision of the Affordable Care Act, New York state requires the purchase of pediatric dental coverage when medical insurance is purchased outside of the Marketplace. You will be asked to verify that you have obtained pediatric dental coverage through a Marketplace-certified stand-alone dental plan, as this is not included in Independent Health's medical insurance.

ENROLLING THROUGH THE MARKETPLACE

The Marketplace acts as an online store for individuals. By providing some basic information, such as demographic information and current household income, the Marketplace will determine if you're eligible for financial assistance to help make coverage more affordable and for which health plans you or a family member qualify. This includes Medicaid, Child Health Plus (for children under the age of 19), the Essential Plan or a Qualified Health Plan.

If eligible for financial assistance, you could receive either the **Advanced Premium Tax Credit (APTC)**, which would reduce your monthly premium; or a **Cost Share Reduction (CSR)**, which would reduce your out-of-pocket expenses.

For questions about financial assistance or enrolling for health insurance coverage through the Marketplace, please call the NY State of Health Customer Service Center at 1-855-355-5777, Monday – Friday, 8 a.m. – 8 p.m., and Saturday, 9 a.m. – 1 p.m., or visit nystateofhealth.ny.gov. To seek assistance enrolling through the Marketplace with the help of an Independent Health RedShirt, call (716) 505-8515 or 1-855-210-9930 (TTY: 711).

WHEN TO ENROLL

Open Enrollment Period starts November 1, 2025 for New Members, November 16, 2025 for Existing Members — and ends January 31, 2026.

- If you enroll as a new member starting November 1, 2025, or are an existing member changing health plans between November 16 and December 15, your new plan will become effective January 1, 2026.
- If you enroll as a new member for the first time or change your health plan between December 16, 2025, and January 31, 2026, and your selection is made by the 15th of the month, your new plan will become effective on the 1st of the following month. Otherwise, your plan will become effective on the 1st of the subsequent month.

Special Enrollment Period (SEP) is a time outside of the Open Enrollment Period in which you are allowed to enroll in a health plan for the first time or change your health plan.

- You qualify for an SEP if you have a qualifying life event such as marriage, birth, or adoption of a child; loss of other health coverage; permanent move to New York or within New York from one county to another; or you're aging out of coverage.
- You have 60 days from the date of the qualifying event to select a health plan.
- If you do not qualify for an SEP you will be able to enroll in or change your health plan during the next Open Enrollment Period.
- If your SEP falls within the Open Enrollment Period, you may have to contact NY State of Health.

(E) = Embedded Deductible or Out-of-Pocket Maximum

(T) = True Family (Non Embedded) Deductible or Out-of-Pocket Maximum

Embedded — On a single policy, the single deductible/out-of-pocket maximum must be met before Independent Health provides reimbursement for covered services. On a family policy, once a family member meets the single deductible/out-of-pocket maximum, the deductible/out-of-pocket maximum is satisfied for that member.

Non Embedded (True Family) — On a single policy, the single deductible/out-of-pocket maximum must be met before Independent Health provides reimbursement for covered services. On a family policy, the entire family deductible/out-of-pocket maximum must be met before Independent Health provides reimbursement for covered services. An individual on a family policy will NOT stop at the single deductible/out-of-pocket maximum.
